Our Community NEWSLETTER

Discover what's going on in your neck of the woods.

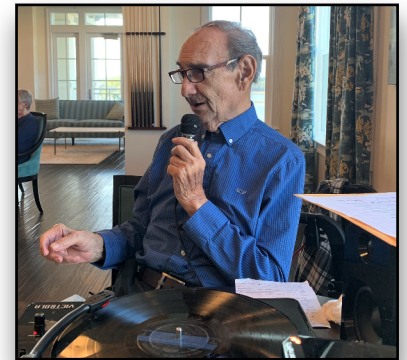

Bayshore Residents, Families, and Friends,

I am very grateful to have made so many wonderful connections with you over the last several months, but there are still a number of you that I would very much love to sit down and find out what is important to you as a resident of The Bayshore. It is also very important to me that we have an open door when it comes to receiving feedback from you. In addition to scheduled appointments with me, I have started setting aside an hour every Thursday afternoon from 3pm - 4pm for anyone that would like to sit down and discuss what is important to you. I would love the opportunity to sit down and discuss whatever is on your mind, whether big or small. Thank you for choosing The Bayshore, we know you have many choices out there, and are thankful you have chosen our community as your home! **Rodney McKee - Executive Director**

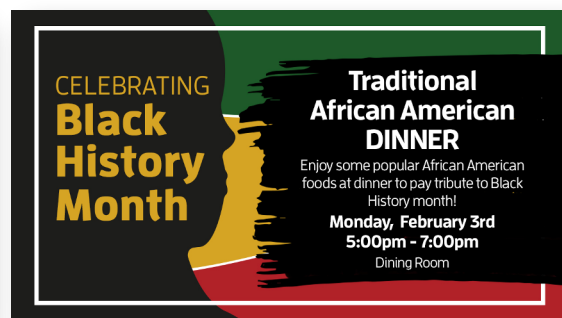

What's New!

We are excited to announce many new activities & outings we have added to our activity program this month. Come and meet **Zoara the comfort dog**. St. Lukes church will bring Zoara, a trained Golden retriever out to our community to spend time with our residents the first Tuesday of every month. **Music with Wally** is a new activity we have started the end of January. Our very own resident, Wally Reed, plays old nostalgic music on his record player every Monday evening at 4:00 pm in the Bayview Club. Grab a drink , relax and reminisce with the music of that era. **Romeo's Dinner Outing**, also started in January. It is a time for the guys to get together and explore the island. Just like Romeo's for the men, we now have a fun outing for our ladies as well. **Juliet's dinner** is a great time for all the gals to gather for dinner and drinks at a favorite local destination. **Bible Study** is back on the calendar. This month we are studying the book of Jonah. All denominations are welcome to join in the Reflection room every Saturday morning at 9:45 am for an hour. The **Men's Poker Club** is a highly anticipated card game we will be starting this month. For the night owls, we now have entertainment once a week after dinner. Grab a night cap in the bar and listen to music. Calling all married couples. This is the month of Love and Valentines and we are hosting our first **"Not so Newly Wed Game"**, Lets see if our couples really know one another. At the beginning of this month we will be selling **Flower & Candy Grams**, for a dollar each. Both of the Flower & Candy -grams will be delivered on Valentines day, with all the proceeds going toward the Alzheimer association . For questions about these new events or with our regularly scheduled activities or events, please see Therese or Patti in the Life Enrichment department.

Spotlight!

Edith Rhomberg is our spot light resident of the month. Edith and her husband Bill were among the first couples to move to The Bayshore when it opened in 2017. Edith has made a lot of great friends here and she loves The Bayshore lifestyle. She enjoys spending time on the dock, listening to entertainment up in the Bayview club with her husband and friends, and continues to pursue a lifelong passion-playing the piano.
